

# Intercultural Parent Mentors in Karlsruhe

## What Exactly are Intercultural Parent Mentors?

Intercultural parent mentors...

- are dedicated parents with or without migration background
- serve as contacts for parents not yet familiar with our education system
- have been trained by the Baden-Württemberg Parents Foundation in intercultural matters, in conflict management as well as in the particular education system of Baden-Württemberg

## What Exactly do Intercultural Parent Mentors do?

Intercultural parent mentors...

- offer support in various languages on general questions relating to schools and education
- provide communication support for parents seeking help and schools
- treat any emerging problem with the utmost confidentiality

## Parents seeking help

can get advice and support from intercultural parent mentors.

You can ask for a Intercultural Parent Mentor at your child's school or you can contact us.

## Languages currently being offered by the mentors are :

German, English, French, Romanian, Russian, Serbian and Turkish.
